Important Information about our Licensee

Financial Services Guide

This Financial Services Guide (FSG) is designed to clarify who we are and what we do, and help you decide whether to use our services.

To make things simple, this guide explains:

- the services and types of products we're able to offer you
- how we and our associates are paid and any other benefits we may receive
- any potential conflicts of interest we may have
- how we protect your privacy and handle your personal information
- how we resolve disputes, and what you should do if you have one.

Please read through the whole FSG, as it's full of useful information – and is also worth holding on to for future reference. And of course, if you ever have any questions, please contact us.

Other documents you may receive

In addition to this FSG, if we provide you with financial advice we will also present you with a written Statement of Advice (SOA).

This will describe:

- advice and strategies we recommend and the reasons why;
- the financial products and services we recommend and the reasons why;
- any fees or commissions we will receive; and
- any associations we have with financial product providers or other parties that may influence the advice we provide.

After that, any time you receive further financial advice from us, we will either provide you with another SOA or give you (or keep our own) written Record of Advice (ROA). You can request a copy of this by contacting us any time up to seven years from the date of the advice provided. Please refer to the "Contact us" section of this FSG for our contact details.

To help you make an informed decision about a financial product you generally will be given a Product Disclosure Statement (PDS) which outlines the product features and costs in detail. In certain circumstances it is not a requirement that you be given a PDS (including, for example, where you already have one).

Giving us instructions

If you want to make changes to your financial plan or provide other instructions, please contact us. Please refer to the "Contact us" section of this FSG for our contact details.

Generally, you will need to give us instructions in writing (eg fax, email or letter) or another method agreed with us.

Payments and benefits we receive

You can pay for the services you receive on a fee for advice basis. This allows you to know that you are paying for our advice irrespective of any product you use, clarifies the services you are entitled to, and ensures all recommendations are driven by your needs.

We will agree with you the amount you pay based upon:

- a flat dollar fee;
- an hourly rate;
- the amount you invest; or
- a combination of the above.

You can pay in the following ways:

- as a fee for advice that will be deducted from your investments as a one-off payment or in instalments;
- by direct invoice from us for initial and ongoing advice;
- via commission we may receive from a financial product provider when you commence an insurance contract; or
- a combination of the above.

If you are not already on a fee for advice package, you can move to this payment at any time.

Other payments we may receive

We will provide you with details of all fees, commissions or other benefits we may receive when we provide advice to you and, where possible, will give actual dollar amounts. If we cannot provide this accurately, we will provide worked-dollar examples.

Even if you don't receive personal financial advice from us, you can still request the details of any fees, commissions or other benefits we receive in relation to any other financial service we provide you.

Benefits we may receive

Sometimes in the process of providing advice, we may receive benefits from product providers.

Conferences

We may attend conferences and professional development seminars that have a genuine education or training purpose. GWM Adviser Services Limited, or our employer, may pay for the costs of our travel and accommodation, and events and functions held in conjunction with the conference or seminar.

Non-monetary benefits

We keep a register detailing certain non-monetary benefits that we receive e.g. benefits valued between \$100 and \$300, and those that relate to genuine education or training and technology software or support.

You can view an extract of the register by contacting us. Please be aware that GWM Adviser Services Limited may charge you for the cost of providing this information to you.

Sponsorship

GWM Adviser Services Limited receives cash payments from product providers who sponsor and attend training presentations, conferences and/or professional development days. Amounts vary between product providers and Australian Wealth Solutions do not directly share in the sponsorship payment; however, we may indirectly benefit as these payments subsidise the costs associated with these training and professional development events.

Distribution Allowance

MLC Limited pays a distribution allowance to National Wealth Management Services Limited, a related body corporate of NAB, in respect of the distribution of MLC Limited's insurance products by licensees in the NAB Group (including NAB). This amount is not ascertainable at this time and will depend in part on the value of MLC Limited's insurance portfolio relating to insurance distributed through NAB and its related bodies corporate and the performance of NAB and its related bodies corporate against agreed annual performance criteria.

This allowance is not shared with your adviser and does not represent an additional charge to you.

Referrals

Referrals from a third party

We have arrangements in place to pay a referral fee, commission, or other benefit to certain third parties when they refer new clients to us. Our current arrangements for referrals from a third party are set out in the table below and specific details of any benefit we provide in relation to our advice to you will be included in the advice documentation we provide to you.

Name of referral partner	Payment we provide for the referral	Example
Own Home Loans – Rory Sercombe	10% of the initial upfront fee including Statement of Advice preparation and implementation and insurance commission and 10% of the ongoing adviser fee	For example, if initial upfront fee is \$2,000, we will pay Own Home Loans \$200

Referrals to a third party

We have referral arrangements in place with third party providers. If we refer you to one of these providers we may receive a payment, fee, commission or other benefit from those providers.

Details of these arrangements are set out in the table below and specific details of any referral payments we may receive will be provided in our advice documents to you. Alternatively, you can request further details about our referral arrangements prior to us providing you with financial advice.

Name of referral partner	Services	Payment we will receive for referral	Example
Own Home Loans – Rory Sercombe	Mortgage Broking	33% of the upfront loan commission and 33% of the ongoing loan commission	If you established a loan for \$1,000,000, we would receive up to \$2,500 and up to \$1,000 per annum thereafter

Please note that GWM Adviser Services is not responsible for the advice and services provided by these providers.

Business Equity Valuation (BEV)

In the event of our death or permanent disablement, or if we were to leave the financial planning industry, GWM Adviser Services Limited provides a buyer of last resort option called BEV. This helps manage the transition of ownership to ensure you continue to receive advice.

In addition, we are part of a corporate structure and have a succession agreement in place to manage the transition of ownership should we leave the business.

The value of a sale under BEV is based on a multiple of ongoing revenue received by the business on an annual basis. The multiple can range from 2.5 to 4 depending on the proportion of the ongoing revenue that comes from clients who hold MLC group financial products.

Here are some examples to help you understand the potential benefit to us of our clients holding MLC group product:

- If the ongoing revenue of the business was \$100,000 and 50% of our clients held MLC group products, the sale value for the financial planning business would be between \$250,000 and \$350,000;
- If the ongoing revenue of the business was \$100,000 and 85% of our clients held MLC group products, the sale value for the financial planning business would be up to \$400,000;

Importantly, BEV is subject to us meeting certain compliance requirements and standards.

How we charge for our services

All fees and commissions are inclusive of GST and the fees could be greater than those disclosed below in complex cases. In these instances, we will inform you of the exact fee payable promptly in writing.

Your strategy presentation / advice preparation / implementation fees may be reduced by the amount paid for your initial consultation.

Advice preparation	If you elect to pay us a fee for advice the following fees will apply. The fees will depend on the size of the investment portfolio and the complexity of the advice: The minimum fee charged is <u>\$550 while the maximum fee is \$22,000.</u> For example, complex advice that contain multiple goals, strategies and/or tax structures including but not limited to; self-managed superannuation Funds, family trusts and companies, are likely to be charged closer to the maximum. Less complex advice that addresses limited goals, strategies and tax structures are likely to be charged closer to the minimum.
Implementation	If you elect to pay us a fee for implementing the advice the following fees will apply. The fees will depend on the size of the investment portfolio and the complexity of the advice: <u>Portfolios less than \$100,000:</u> Implementation fee of between <u>\$330 and \$3,300</u> <u>Portfolios \$100,000 - \$300,000:</u> Implementation fee of between <u>\$2,200 and \$7,700</u> <u>Portfolios in excess of \$300,000:</u> Implementation fee of between <u>\$5,500 and \$20,000</u> Borrowed funds – if we recommend you acquire investments using borrowed funds then your implementation fee will be a <u>minimum of \$330 and a maximum of \$10,000.</u>

For example, for investment valued at \$200,000 the maximum ongoing fee would be \$5,000 pa. Borrowed funds – if we recommend you acquire investments using borrowed funds then your ongoing fee will be a <u>minimum of \$330 and a maximum of \$10,000 pa.</u> The ongoing advice fee will be based on the level of service needed and the complexity of the advice. Complex advice requirements include the use of trusts and ownership structures, overseas assets or incomes, executive options or multiple investment entities. Stamping Fees	Where we receive stamping fees from issuer companies for raising capital or debt on behalf of that company, we will offset this payment against the cost of our advice to you.

Insurance products

Where we arrange a life insurance product for you, the relevant insurer will pay an initial commission to us. The commission is calculated as a percentage of the premium paid (and may include health, occupational, frequency and modal loadings and policy fees, but excludes stamp duty).

Annual commission will also be paid when you renew your policy each year.

The rates of initial and ongoing commission will depend on the date the policy is issued and are set out in the table below:

Date policy is issued	Initial Commission (% of annual policy cost including GST)	Ongoing Commission (% of annual policy cost including GST)
Before 1 January 2018 or before 1 April 2018 (where the application was received before 1/1/18)	up to 130%	up to 33%
From 1 January 2018	up to 88%	up to 33%
From 1 January 2019	up to 77%	up to 33%
From 1 January 2020	up to 66%	up to 33%

We may receive commission at pre 1 January 2018 rates if:

- you increase your cover, add new cover or otherwise amend a policy purchased by you before 1 January 2018; and
- that policy amendment results in commission receivable by us, and
- that policy amendment is eligible for pre-1 January 2018 commission rates.

Example (all figures include GST):

You purchase the policy for \$1000 on 1 December 2019. We may receive an initial commission of up to \$700 ($\$1000 \times 77\%$) in the first year and ongoing commissions of \$330 per annum ($\$1000 \times 33\%$) for as long as you continue to hold the policy.

If you increase your cover on 1 July 2020 for a cost of \$500, we may receive an initial commission of up to \$330 ($\$500 \times 66\%$). The ongoing commissions on the additional cover may be up to \$165 ($\$500 \times 33\%$). This is in addition to the ongoing commissions of \$330 per annum when the policy was purchased. Total ongoing commissions payable to us may be up to \$495 ($\$1500 \times 33\%$).

Please note that the initial and ongoing commissions on life insurance products are paid to us by the product provider and are not an additional cost to you.

Pre-existing arrangements

For clients already in a pre-1 July 2013 commission arrangement, we may receive commission on investment and superannuation products or margin lending products. For investment products and superannuation products, the relevant product issuer will pay initial commission between **0% and 5.5%** and ongoing commission between **0% and 0.88%** of the value of your investments for as long as you hold the product. For margin loans the relevant product issuer will pay an ongoing commission **between 0% and 0.88%** of the outstanding loan balance. Commissions are paid to us by the product provider and are not an additional cost to you.
